Before the opening of the Holy Door, Pope Francis offered the following prayer:

"Holy Father, God of our Fathers, God of Abraham, of Isaac, and of Jacob, rich in mercy and great in love who grants to the Church this time of penance and forgiveness so that she might have the joy of being interiorly renewed by the work of the Holy Spirit, and of always walking forward on your way, while remaining a sign of salvation and redemption in the midst of the world, deign to respond to our hopes: open completely to us the doors of your mercy, so that one day the doors of your heavenly dwelling may be open to us where Jesus your Son, and the first among the human race has preceded

us that we might all together sing to you forever. Grant, we pray, that all those who cross this threshold with renewed commitment and firm faith might obtain salvation which comes forth from you and leads us to you.”
